A QUICK SCAN CAN SAVE YOUR LIFE!

Taking control of your health can feel overwhelming, which is why Franciscan is making that step simple! If you meet the age and risk factor recommendations, take advantage of our exclusive combination health screenings - **NO PHYSICIAN REFERRAL NEEDED.**

Franciscan HEALTH

*MUST MEET QUALIFICATIONS. CALL OR SCAN QR CODE TO SEE CRITERIA. The lung scan is covered by Medicare for qualified individuals. Please consult your primary care physician if you would like to have this service covered by Medicare. Those who qualify for a lung scan also qualify for the abdominal aortic aneurysm (AAA) vascular screening for an additional \$10.
